Grade				

What grade do you want to achieve?..... What grade do you think you are going to get?.....

Will you be happy if this predicted grade is correct?.....

How much do you understand these C3 topics:

For every question, please give a score of 1,2,3 or 4.

1=Excellent understanding; 2=Good, a few problems, 3=Quite difficult at times, 4=No idea.

Algebraic Fractions.....

Functions (including domain and range.....

e and ln.....

R Forms (e.g. write $3 \sin x + 4 \cos x$ in the form $R \sin(x+\alpha)$

Numerical Methods.....

Modulus functions and graphs.....

Trig proofs.....

Differentiation (product, quotient and chain rule).....

Trig equations.....

Inverse trig.....

How do you feel about the assignments this term? How long do they take? Are they too easy/too hard? Do you ever hand in work you don't understand?
